Many people  
meet in the  
cultural center

Since 1896 the building was the hotel „Stadt Bremen“. In the 50s to 70s of the last century, zhe house among other functions became the local police station.

As from 1980 the building was vacant for some years.,the people called it „Old Police“.

Since 1990 we have a cultural center in this house, a lively meeting-point for young and old - the Creative Cultural Center *Alte Polizei*.

**Opening hours: Mo-Fr 9-13 & Mo-Thur 14-22, with events also open at the weekends.**

> The **Culture-Café** opens Mo-Thur from 18-22 o'clock. There you have free WiFi.

> **Café International** is a meeting point: every Tuesday from 19:15 o'clock for all who look for new contacts and want to talk.
